

# DO YOU HAVE A DIAGNOSED- LEARNING DISABILITY? Do you have a Hospital Passport?

Hospital Passport are completed by each individual, their family members and Health Care Professionals. They can be completed in readiness for Hospital appointments / Stays or on admission to hospital to ensure your needs are provided for. If you would like a Hospital Passport ask a member of staff for a copy for you to complete.

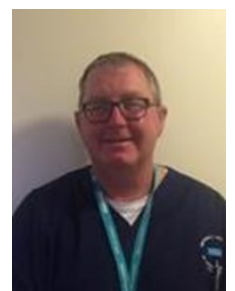

## HOSPITAL PASSPORTS ADULTS AND CHILDREN

### Your Hospital Passport will include:

- Information on the best way to arrange appointments, hospital stays and transport
- How best to communicate with you and support your movement around the hospital
- It will record your medication and dietary requirements
- List your personal needs

**For further information contact
